Letter from the Board of Supervisors

The Board of Supervisors and staff are looking forward to all the exciting things we have in store for residents, businesses, and guests in 2022. We are bringing new events and traditions for the residents to enjoy. The Board of Supervisors and staff are working to connect all the organizations and businesses in Skippack Township to make our community stronger. We look forward to upgrading our open space and parks to enhance the environment and quality of life in the township.

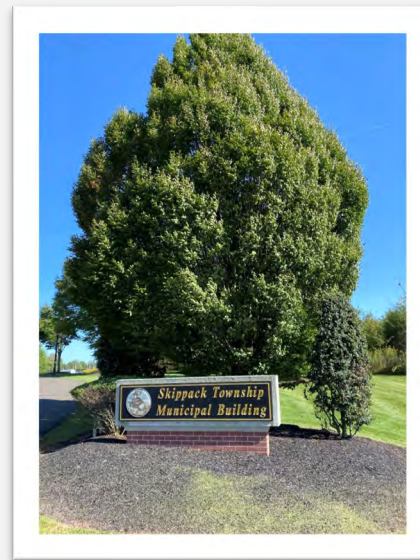

Updates:

▪ **2022 Special Events:** Skippack Township is thrilled to bring special events back to the township this year. We have a new Special Events Committee that works closely with our Special Events Facilitator to plan concerts, movies, Easter Egg Hunt, 5k Walk/Run, and more! We look forward to providing free events and activities for all ages to enjoy. Please visit our website and Facebook page for more information on all of our events, parks, and more!

▪ **Lenape Park Pavilion Update:** We look forward to unveiling the new pavilion and bathroom facilities. There are some additional cleanup items to be completed before the park is complete and ready to be used by the public, including landscaping, signage, and telephone pole removal. There was some damage from Hurricane IDA that is delaying the grand opening. Please check our Facebook and website for updates.

▪ **Welcome Newly Elected Officials:** Prior to the Board of Supervisors Annual Reorganization Meeting in January, a swearing-in ceremony was held for the Township's newly elect-

ed officials. Supervisor Barbara McGinnis and Auditor Thomas Biggar were sworn in to begin serving their first terms. At that same meeting, I was honored to once again be elected as Chair of the Board and Supervisor Paul Fox was re-elected Vice-Chair. I look forward to another

wonderful year serving as Chairman of the Board of Supervisors and helping to keep Skippack a great place to live and work!

▪ **Street Lighting Upgrade Project:** The Township is one of several municipalities currently working with a consultant through the Delaware Valley Regional Planning Commission's Regional Street Lighting Procurement Program. Under the program, a consultant is evaluating our existing street lighting system and will make recommendations to the Board of Supervisors on upgrading our lights with new energy-efficient LED lights. The upgraded LED lights would reduce energy consumption and cost by 50-75% and would improve the lighting performance of our street lighting.

▪ **2022 Road Improvement Project:** In 2022, the Township will be completing road paving and drainage improvements on Evansburg Road from Skippack Pike to Kratz Road and Collegeville Road from Meetinghouse Road to Landis Road.

▪ **Board of Supervisors Meetings:** Please join us at our monthly meetings either in-person or view the livestream on our YouTube Channel. They are scheduled for May 11th, June 8th, July 13th, and August 10th. We love hearing from residents and working with community members to make Skippack Township the best place to live and work.

Thank you for all you do to keep Skippack Township beautiful and thriving. We have the best community members and businesses in Montgomery County. Please visit our website or the Facebook Page to keep up to date on township happenings and events. We hope everyone has a safe and enjoyable Spring and Summer!

Sincerely,

Franco D'Angelo
Chairman, Board of Supervisors

Community & Land Development Updates

- ◆ **Mill Run (Former Perkiomen Valley Airport)** – The Township received an application for a residential subdivision on the former Perkiomen Valley Airport property. The plan calls for 58 single-family homes and over half of the property being preserved as open space. Of the almost 29 acres of open space, 16.5 acres at the corner of Collegetown and Landis Roads will be an active recreational area. The project has been reviewed once before the Planning Commission and will be reviewed again before it is presented to the Board of Supervisors.
- ◆ **Pennsylvania State Police Barracks and Training Center** – Construction on the new Pennsylvania State Police Barracks and Training Center is moving quickly. The new headquarters building is nearly complete and the State Police should be moving in late spring or early summer. The Training Center is right behind and construction is projected to be completed by the end of the year.
- ◆ **Dunkin Donuts** – 4124 Skippack Pike (Former Gas Station Property) – The applicant is working with PennDOT and the Township’s Traffic Engineer on the traffic plans for the project. The project will be appearing at the Planning Commission once they have the plans finalized. Once it is reviewed by the Planning Commission, the project will appear before the Board of Supervisors for their review.
- ◆ **1052 Bridge Road (Former Cork’s General Store)** – An application was received for a townhouse project on the former Cork’s General Store property. The plan calls for 6 townhouses and a parking area along Bridge Road. The project has received conditional use approval and the land development application is under review. The project will be reviewed by the Planning Commission in April and then it will be presented to the Board of Supervisors in May.

Retrievr Collects Clothes, Electronics & Household Items

Retrievr, the pickup service for electronics and clothing recycling that serves Montgomery County, has added to the list of materials that it will accept for a fee. Microwave ovens, dehumidifiers, air conditioners, and mini refrigerators can be picked up for a fee, in addition to TVs and monitors. Also, Retrievr has resumed a buyback program for high value items like smartphones and branded clothing. The fee schedule is listed below and is on the Retrievr website at <http://retrievr.com/montcopa>.

There is now an added \$10 flat doorstep convenience fee for clothing and any small electronics. If any of the below items are included with the pickup, the doorstep convenience fee is waived.

Fees are charged for the following items:

- \$10 for each microwave • \$35 for each TV under 150 lbs. and monitors that use a Cathode Ray Tube (CRT)
- \$100 for each TV 150 lbs. or more, such as those with wooden cabinets or rear-projection TVs
- \$50 for each dehumidifier, window air-conditioner and mini refrigerator under 50 lbs.

Retrievr will also pick up the following electronic devices: computers, cell phones, hard drives, keyboards, mice, PC speakers, PC power supplies, printers, fax machines, stereo equipment, TVs, VCRs, CD players, and laptop and cell phone batteries

In addition to electronics, Retrievr will pick up the following:

- **Clothing** - All men’s, women’s, children’s, and infant clothing including shirts, pants, shorts, dresses, skirts, blouses, sweaters, jackets, raincoats, overcoats, outerwear, sleepwear, swimsuits, T-shirts, undergarments, and formal wear.
- **Footwear** - shoes, boots, sandals, heels, slippers. Accessories: belts, hats, scarves, jewelry, ties, gloves, handbags,
- **Bedding** - comforter, sheets, pillow cases and blankets.
- **Household items** - curtains/draperies, Halloween costumes, cloth napkins, table cloths, towels.

FAQ

When does the program go into effect?

Right now! Simply visit retrievr.com or text the word PICKUP to 757-70-FETCH (757-703-3824) and follow the guided scheduler to set a date.

What if I can't send text messages?

Call our number and leave a voicemail. Someone will contact you to schedule a pickup.

What items do you accept?

Visit [retrievr](http://retrievr.com) for a full list of accepted items.

Where should I leave my items?

You can leave your items on your porch, just outside your door, or just outside your garage.

What if I have items I don't want to leave outside, is that okay?

Yes! You might prefer to keep items like computers, phones, or tablets indoors until the driver arrives. When you schedule your pickup, you can ask **retrievr** to ring your bell when they arrive.

Can I get a tax write off for items collected?

No. Just as your recycled paper, bottles and cans are not tax deductible, neither are recycled clothing and electronics.

Skippack Fire Company News

Considering joining? We are always looking for more volunteers!

Visit our website at www.skippackfire.com for more information!

Fire Safety for Your Home:

Sadly, early 2022 saw two disastrous fires just days apart, both with numerous fatalities. The first was close to home in Philadelphia and the second was in New York City. These events were somber reminders of the steps we should all take, both to prevent fires from occurring and to safely escape with our families if they do.

- Smoke detectors have been shown to save lives during fires. They give you an early warning so you and your family can escape. They should be placed on every level and inside and outside of each sleeping area. Test them monthly and replace them every 10 years. If anyone hard of hearing lives in your home you should get a special alarm with strobe lights and bed shakers.
- Carbon monoxide (CO) is an odorless, colorless and deadly gas. It can become trapped in a home due to faulty heaters, a blocked chimney or if exhaust leaks into a home, such as when generators are used near an attached garage. CO poisoning can result from low doses over an extended period of time or high doses over a short time period. CO detectors also should be tested monthly and should be replaced every 7 years.
- Escape plans can help everyone evacuate safely in an emergency. Families should plan how they can escape

their house during the day and at night. In both cases it can be hard to see during a fire and you will likely need to crawl to stay out of the smoke. Practicing can be fun - draw up a plan as a family, post it on the refrigerator and let the kids stay up late. Establish a meeting area and be sure all members of the household know where it is, whether it is the sidewalk in front of your house, a neighbor's porch, or some other location. To start the drill, activate the smoke detector and crawl out of the house. Close the doors behind you as you leave. Practice this drill often, both day and night, with various family members starting in different areas of the home.

- "Close while you doze" is a safety campaign that advocates for closing interior doors to protect people during house fires, both by starving the fire of oxygen and by creating a physical barrier between the flames and sleeping occupants. Even hollow core doors make a big difference: 100°F with low levels of CO for a closed door versus 1000°F with deadly levels of CO for an open door. More information can be found at www.closeyourdoor.org.

There are many resources with plans, more information, and fun activities. Please check out the National Fire Protection Association (NFPA.org), U.S. Fire Administration prevention/) and Fire Safety Research Institute (FSRI.org).

The firefighters of Skippack Fire Company hope that these tips help you plan for a fire emergency. We are always ready to respond to a call for help. If you are interested in becoming a volunteer or would like to make a donation, please visit our website at www.skippackfire.com. Thank you for all of your support!

pennsylvania STATE POLICE

The Pennsylvania Department of Drug and Alcohol Programs is focused on alleviating the health and safety concerns from the diversion and misuse of prescription drugs by helping our citizens properly dispose of unused prescription medications. Many young people who misuse prescription drugs take them from medicine cabinets. Keeping unused opioids or other common drugs of misuse in a medicine cabinet is no longer safe or responsible. www.ddap.pa.gov

WHAT TO DO: Lock Up – Don’t Share – Safely Dispose

- Lock up all your medications
- Don’t share your medications with anyone or take someone else’s medications
- Safely dispose of unused or unwanted medications. When you pick up a prescription, ask your pharmacist for drug disposal pouches or find a drug take-back box.

How to prepare items for disposal:

All prescribed medications to be disposed of should be contained inside their original bottle or placed inside a small sealed container (i.e. plastic bottle) or zip-lock bag

- Personal information should be removed or marked out with a permanent marker

PA State Police Updates

- Items that DEA regulations allow to be disposed of: Each take-back location has the right to determine what items they will accept in their box.
- Over-the-counter medications
- Prescription medications
- Prescription patches
- Prescription ointments
- Vitamins
- Pet medicines

You may NOT drop off:

- Hydrogen peroxide
- Compressed cylinders or aerosols (e.g., asthma inhalers)
- Iodine-containing medications
- Thermometers

Skippack EMS Updates

Hi there! We’d like to take this opportunity to introduce or reintroduce ourselves. We have been in Skippack since 1986, but not everyone has had an opportunity to meet us. (Honestly, that may not be such a bad thing.) We are your friendly neighborhood EMS providers. Our station is located on Mensch Road.

We are a volunteer 501(3)(c) non-profit organization with volunteers and paid staff, available 24/7, answering 911 emergency calls for assistance. We also assist our local firefighters at incidents like motor vehicle accidents and house fires.

We offer other services to our community such as having an ambulance crew standing by at events like the fireworks, 5k races, motorcycle races, community fairs, equestrian events and helping Scout troops get their first aid badges. If you are planning an event, give us a call! We’d love to be involved.

We are always **looking for people to be involved volunteering** to run calls or help with management. Right now we are especially looking for someone to help with Treasurer Duties and Finances and would hope that there is someone in the community with past or present experience that would be willing to join our team. We greatly appreciate the support from all of the residents in our area. We couldn’t do what we do without you and your support! Thank you!

Skippack Historical Society

Since 1967, the Skippack Historical Society (SHS) has been researching and preserving our local history. After Philadelphia, the Skippack Valley may have the largest collection of colonial homes in Pennsylvania! George Washington and the Continental Army not only passed through Skippack a few times, but also encamped here prior to their attack on Germantown in 1777. SHS actively keeps alive our local history by preserving two properties in the township. At the Indenhofen Farmstead the group focuses on the early settlement of the township and its role during the American Revolution. Here we host our annual Washington's Encampment living history event in the fall. Our second farmstead, the Skippack Farm Museum, is in the town of Creamery. Former home of the Allebach and Cholet families, this farm keeps alive the memory of Skippack's agricultural past. Here we preserve antique farm equipment and hold an annual Fall Fest in October with hayrides, animals, and antique tractors. If you have an interest in local history, please come join us! For information, visit us at our website www.skippack.org and check out both our Facebook pages at Skippack Historical Society, and Skippack Farm Museum.

Skippack Lions Club

For more than 70 years, Lions locally, regionally and globally have been recognized throughout the world for their service to the blind and visually impaired. Back in 1925, when Helen Keller challenged the Lions to become “Knights for the Blind”. She could not have possibly imagined the impact of the Lions commitment to blindness prevention. The Skippack Lions Club has been serving the Skippack community since 1953. Here are just a few organizations that we support, contribute to or provide at no cost to our Skippack community every year:

- Local College Scholarships Grants
- Pennsylvania Lions Hearing Research
- Lions Eye Bank of the Delaware Valley
- Skippack Fourth of July Parade
- Diabetes Awareness Programs
- Beacon Lodge Camp for the Blind in Pennsylvania
- Annual Christmas Gift Baskets Cards

Skippack Lions Club Serving With Pride Since 1953

Right here in our own community the Skippack Lions Club has been serving the Skippack community with many various contributions since 1953 which include:

- Leader Dog Program for the Blind
- Skippack Lions 5K & Fun Run (Scheduled for Saturday, June 25, 2022)

Since 1917, local Lions clubs have offered people just like you the opportunity to give something back to their communities. From involving members in projects as local as cleaning up a park or as far-reaching as bringing sight to the world’s blind, Lions clubs have always embraced those committed to building a bright future for their community.

Perkiomen Valley Library

Albert Einstein said, “The only thing that you absolutely have to know, is the location of the library.”

Your library has much more than books! The library has:

Online and In-Person events

- Trivia Night
- Writers groups for adults and youth
- Genre of the Month Book Club
- Among Us Game Night
- Tail Waggin’ Tales (reading to dogs)
- Preschool Storytime
- Reserved Block & Building Playtime
- Take & Make Crafts for children and many special events

Each summer the library has a reading program for all ages (children, teens & adults). This year the theme is “Oceans of Possibilities” a variety of online and in-person programs will be held.

Did you know the library also has fantastic databases you can access with you library card for adults and children?

- Download Free Ebooks, Audiobooks and Magazines
- Learn a new language
- Search for ancestors
- Write a resume
- Take a variety of practice tests
- Read newspapers from around the country
- Search for business information and more!

Your library card gives you access to all the materials in the library including Museum Passes, DVDs, Books and more. PVL is part of MCLINC, which allows easy access to most of the collections of the libraries in the Montgomery County. You can even request items from outside the county, also free.

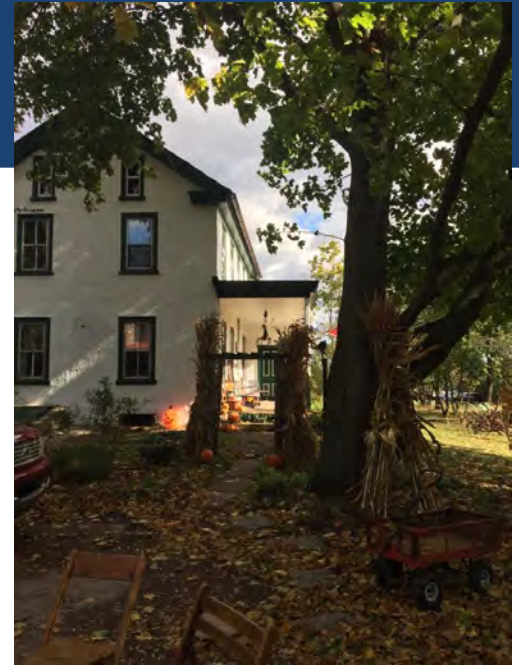

Come visit your local library to discover the wealth of materials and information that are waiting for you. See PVL’s Facebook page and webpage, www.pvlibrary.net and join in the fun.

You can help support the library in many ways. One way to purchase a tote bag at the library featuring Einstein’s quote.
